BOBBY

by Eric Kuster

The design of our BOBBY collection by Eric Kuster combines the elegance of round shapes with clean lines; it is an eye-catching combination in which the various elements are uniquely connected. The rectangular section of the door handle flows subtly, yet powerfully, into a rounded grip that is proportional to the horizontal plate that it is attached to. With every touch, the solid feel of steel transports you to elegance and luxury. The various shapes are simultaneously simple. In combination with the right materials, the BOBBY door handle is the perfect detail to any interior.

Brand story

FORMANI ha crecido mucho los últimos diez años. Ha pasado de ser una empresa familiar neerlandesa a ser una prestigiosa marca de diseño en todo el mundo. De manilla de puerta a concepto total. De desarrollo propio de productos a colaboraciones con diseñadores de prestigio. Este desarrollo gira, sobre todo, en torno a la ambición y la audacia. Además, el lema 'Obsessed with details' (obsesión por los detalles) caracteriza todo lo que hacemos. Del producto al proceso y de la estrategia al servicio. Puesto que son precisamente los detalles los que marcan la diferencia entre bien y perfecto. En FORMANI, 'lo meramente bueno es el enemigo de la perfección'..
